Department or Service:

University:

e-mail:

- A) Please list five prominent publications (NOTE: journals (in the case of articles) or publishers (for chapters and books) must be listed in the specific criteria of research evaluation for Spanish University Professors approved by the CNEAI (BOE 12/01/2014): ISI-JCR indexed journals are accepted in most disciplines, particularly in Science and Engineering, while Scopus, WoS and several other indices are accepted in Social Sciences and Humanities. Please, in case of doubt ask the coordinator of the PhD Program proposing you as a committee member).

In the case of journals, please specify the impact factor and the indexation database.
